MARK KLOSTERMAN NAMED PRESIDENT AND CHIEF EXECUTIVE OFFICER, ST. JOSEPH'S HOSPITAL, BREESE

SPRINGFIELD, IL – Mark D. Klosterman has accepted an invitation to serve Hospital Sisters Health System (HSHS) as President and Chief Executive Officer of St. Joseph's Hospital in Breese, Illinois.

Mr. Klosterman joins St. Joseph's Hospital following his service as Chief Executive Officer of Franklin General Hospital and Franklin Medical Center in Hampton, Iowa. As CEO of this 25-bed hospital and 52-bed long-term care facility, he led the strategic planning process and collaborated effectively with board members, physicians, and communities to expand services and enhancing health care to the area. Mr. Klosterman played an invaluable leadership role in building relationships with physicians and improving the financial strength of the hospital. In 2008, he was awarded the Iowa Hospital Association Outstanding Young Executive Achievement Award for his outstanding accomplishments at Franklin General Hospital. He has also served as Administrator for Avera Gregory Healthcare Center in Gregory, South Dakota, and as Project Manager of Information Systems at Sioux Valley Hospitals and Health System (now Sanford Health) in Sioux Falls, SD.

“We are extremely excited to have Mark join HSHS and St. Joseph’s Hospital with his extensive experience in building relationships, strategic planning, and technology development,” said Larry P. Schumacher, Hospital Sisters Health System Chief Operating Officer. “His leadership abilities and success in multiple health care environments will be a great asset in guiding St. Joseph’s Hospital in serving the health care needs of the community, combining quality with our Franciscan healing ministry,” he said.

Stephanie McCutcheon, President and CEO of Hospital Sisters Health System, expressed her gratitude for the work of those who served on the search committee. “I commend our colleagues for the time and effort they committed to researching and finding the right candidate to lead St. Joseph’s Hospital into the future,” Ms. McCutcheon said. “Through their efforts, we found a leader with the focus, determination and passion combined with compassion to guide the physicians and colleagues of St. Joseph’s Hospital to new heights,” she said.

“I am thrilled to join St. Joseph’s Hospital and Hospital Sisters Health System family in the work they do every day to provide quality, compassionate health care to the community and surrounding area,” Mr. Klosterman said. “I look forward to the wonderful opportunity we have to advance the care we provide to the residents of Clinton County, carrying on the healing mission of the first Hospital Sisters,” he shared.

Mr. Klosterman earned his Master’s Degree in Business Administration and his Master’s in Information Technology, from Colorado Technical University, Sioux Falls, SD campus. He achieved his Bachelor’s of Science Degree in Medical Technology from South Dakota State University in Brookings, SD.

Mr. Klosterman is a Fellow in the American College of Healthcare Executives and served as District B Chair of the Iowa Hospital Association. He served as an active member of his church and community, volunteering for Relay for Life, serving on the Hampton Rotary Board of Directors, and was involved with the local Chamber of Commerce, as well serving as a speaker for various community groups.

Mr. Klosterman and his wife Stacie look forward to raising their three little girls in the Breese area as they move to the community in the coming weeks.

About Hospital Sisters Health System

Hospital Sisters Health System is a Roman Catholic health care mission founded to continue the healing ministry of Jesus Christ. Sponsored by the Hospital Sisters of St. Francis, HSHS provides state-of-the-art health care framed in traditional values taught by St. Francis and St. Clare of Assisi. It is dedicated to serving all people, including the poor and the needy, at each of its 13 Local Systems in Illinois (Belleville, Breese, Decatur, Effingham, Highland, Litchfield, Springfield and Streator) and in Wisconsin (Chippewa Falls, Eau Claire, Sheboygan and two in Green Bay).
